Fairfax County Department of Management and Budget**

As you are already aware, Fairfax County faces unprecedented economic challenges. The advertised budget plan for the next fiscal year impacts every resident in the county, primarily through proposed cuts in areas such as libraries, parks, fire and rescue and public safety, in addition to a flat budget transfer to the public school system. This is an opportunity to hear how these cuts will impact you, your family, and your neighborhood.

All area residents are invited to attend this special meeting and hear details about the Fairfax County Fiscal Year 2010 budget. There will be a question and answer period. For additional information, please contact Carol Hawn, Western Fairfax County Citizens Association (WFCCA) Secretary, at 703-266-6872 or [cahawn@verizon.net](mailto:cahawn@verizon.net).
